

Holy Trinity Armenian Apostolic Church

Dear Parishioners,

We are excited to continue holding our Soorp Badarak, the Divine Liturgy, in person. In order to ensure the safety of parishioners, we will be continuing to adhere to CDC guidelines.

The sanctuary will be limited to 100 people or 25% capacity, masks will still be required, and each parishioner will have their temperature checked prior to entering the sanctuary.,

For those who are uncomfortable with attending church in person or who are not feeling well, we will be continuing to stream the Badarak on Facebook.

We thank you all very much for your cooperation and understanding in getting back to church in a safe and responsible manner. We look forward to seeing you in church on Sunday.
